List of Selected Candidates for Self Sponsored M.Tech Programs (CSE/NIS)

15th May 2026

Important:

1. All **selected candidates** will receive their offer letters within the next 3-4 days. The offer letters will be sent to your **registered email ID** after verification of the uploaded documents. Please note that **any discrepancy found** during verification may result in the application being disqualified. Please email us, if you do not receive an offer letter by **20th May 2026**.
2. Candidates on the waiting list may be considered for admission, subject to the availability of seats. We request you to kindly check your registered email regularly for further updates.
3. Selection is made on the basis of the written test score only. If two or more candidates obtain the same score, their GATE score is used to determine their ranking. If the GATE scores are the same, or if the candidates do not have a valid GATE score (i.e., GATE score is 0), then the ranking is determined by seniority in Date of Birth.
4. This is the first list of candidates. If the waiting list is also exhausted, a second list may be prepared depending on the availability of seats.
5. Only the **application numbers** of the selected and waitlisted candidates are mentioned in this document.
6. This list is only for the **Self Sponsored M.Tech programs**. The selection list of RA M.Tech programs will be announced by 30th May 2026.
