

Transport Details

We have two institute buses going to Hyderabad city today at **5:15 PM (Patancheru)** and **5:45 PM (Miyapur)**. However, please note that the buses may be crowded, as many IITH students will also be traveling home.

Since the weather will be relatively cooler after 5:00 PM, you may also walk to the main gate and take a private bus, taxi, or auto from there. Alternatively, you can use the internal campus bus service to reach the IITH main gate.

We also have additional buses from IITH to the city (Patancheru) at **7:00 PM, 9:00 PM, and 11:00 PM**. Tomorrow morning, buses will be available at **9:00 AM and 11:00 AM**. You can get the complete bus schedule of IITH from [this link](#).

To board any institute bus, please wait either at the **Hostel Circle (near the CSE building)** or the **UBD Circle (near the Convention Center)**. If you plan to use the internal bus, I suggest walking to the UBD Circle. I have attached two photographs for your convenience.
